

## LPL Reading List for 2018

### Notes:

1. The book list is now in different categories. We want all LPL holders not only to read, for personal and ministry, but also to read widely and broadly. Over the Quadrennium, Each person should be reading books from two different categories each year, and cover the whole during the Quadrennium.
2. It is obvious that this list is not exhaustive and need to be constantly updated. If there are books that should be included, please pass your recommendations to your pastor or DS, and we will try to include these other books in the list, which should be updated in two years' time.
3. These books should be fairly readily available in the local Christian bookstores. If you have any difficulty getting them, please contact your pastor for help.
4. For LPL renewal, please complete the Interaction Form for each book you read and pass it to your DS for assessment and as per requirement by MBOD provisions, according to the stipulated time.
5. For LPL renewal, you can also audit a LPL course or OLM 2 or STM's TEE course that you have not attended before and fill in the Interaction Form and submit the same to your DS.
