

FAMILY SPIRITUAL FORMATION (FSF) WEEKEND

MODULE 1: SPIRITUAL FORMATION AS A COUPLE

ICM is launching their first module on spiritual formation for families from 10th - 12th of Oct 2014. This would be the first of the 4 modules in this new series. The first module will focus on the theme of 'Spiritual Formation as a Couple'.

❖ Session 1: Marriage Profiling (Marriage Life Map) - Tracking the grace of God and His work in your marriage

❖ Session 2: Growing and Developing Spirituality as a Couple - Personal as well as coupled Spiritual Formation

❖ Session 3 Sacredness of Marriage: Protecting the development and manifestation of God's grace in the home.

❖ Session 4: Building Blocks for Spiritual Development at Home - Tools in building an environment at home conducive for Spiritual Formation

The weekend will include time for input by the facilitators and space for personal reflection and couple sharing. Individuals will also have time for personal prayer and learning to discern

God's invitations in one's life and marriage. Each couple will also have the opportunity to spend some time with the facilitators during the weekend.

As a new initiative, ICM would like to invite up to 15 couples from the local churches to embark on this exciting and deepening experience of the soul as you encounter Him in the deepest places of your life individually and in your marriage with your spouse.
