

TRAC CHRISTIAN SPIRITUALITY SEMINAR

NORTHERN & CENTRAL DISTRICTS!

A Seminar on Christian Spirituality for Urban Disciples

This seminar is a weekend School for Everyday living. We will be paying attention to how we can encounter God in the middle of busy and often frantic lives. The pressure is on! Many leaders, people in the market place, students and parents are all under pressure to produce more and more. Social media has only increased this pressure. In this seminar we will look at other ways to live so we can accomplish what needs to be accomplished and still live a flourishing life. We will be focusing on Rest, Grace, Prayer, Identity and the Rhythms of our lives.
