

This session will help us examine our own inner life - the depth and the breadth - of our faith in Christ, personally and communally. How can I build in important disciplines so that our faith is deeply rooted and unwavering in hard times as well as finding the breadth of our faith in community life, that allows us to rise up above all circumstances and live and minister with greater freedom?

### Devotion #3

### Growing Roots & Wings for Ministry & Life

This session focuses on the theme of awareness of self, a spiritual discipline that cultivates a posture of responding to His invitations to growth. How is God inviting me to grow as I serve Him through the Sunday School ministry? How can I learn to pay attention to my triggers (good, bad, ugly surprises), when I work with children and discover that God uses all of these to shape my soul towards Him?

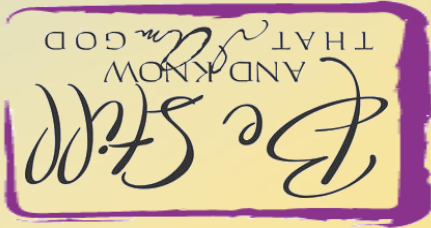

### Devotion #2

### How God Uses Children to Shape Our Souls

This session evolves around the theme of awareness of God. How do we cultivate a posture of attentiveness and awareness of God in our lives? How do we tune-in to His voice and discern His calls amidst the many demands of voices of the world? This is foundational to all - how can we hear God for ourselves so that we can guide and shepherd our children more naturally to hear the Master Shepherd for themselves?

We invite you to come and be renewed in your own formation as a disciple of Christ, deepen your own awareness of God, of self and of others. And out of this deepening awareness, your soul may be awakened and find within it, a renewed courage, joy and freedom to minister to this generation of children! Come and join us for a time of worship, learning and conversations with fellow Sunday School Teachers across the TRAC churches!

Children are our future generation and potential leaders in the families, marketplaces, society and the church. In the midst of the many challenges and changes today, the most precious gift we can ever leave with these young ones today remains unchanged - introducing them to the Lord Jesus Christ, teaching them to respond to His invitation, 'Let the children come to me!'. Such is the call of all Sunday School Teachers!
